

## V0290 ADJUSTABLE HAND HELD NEEDLE VALVE

### FEATURES :

- . Adjustable volume.
- . Unaffected by entrapped air in fluid.
- . Excellent chemical resistance.
- . Small, light weight and handy.

### SPECIFICATIONS :

**Size** : 108 X 19 (length X diameter)

**Max. fluid pressure** : 12bar

**Viscosity range** : up to 100,000 cps

**Material type** : any viscosity fluid
